MISSION ASSURANCE THROUGH

**ENERGY  
ASSURANCE**

**Limit Idling:** Idling pollutes and it's expensive. If you are going to be there for longer than 10 seconds turn it off!

**Carpool when Possible:** Carpool, ride the bus, bike or walk instead of driving alone to work.

**Reduce Air Conditioner Use:** At high speeds, if it is cool, use flow-through ventilation. At lower speeds, roll down the window.

**Drive Responsibly:** Speeding and sudden acceleration or braking negatively impact fuel economy.

**PROTECT THE POWER**
