

DEPARTMENT OF THE AIR FORCE  
WASHINGTON DC

OFFICE OF THE ASSISTANT SECRETARY

MEMORANDUM FOR ALMAJCOM-FIELDCOM-FOA-DRU/CC

FROM: SAF/IE

SUBJECT: (OSHA) Safe + Sound Participation Advocacy

In my role as the Department of the Air Force (DAF) Designated Agency Safety and Health Official (DASHO), I am encouraging participation in DAF events aligned with the upcoming Occupational Safety and Health Administration (OSHA) Safe + Sound national campaign being held August 9-15. Safe + Sound Week is a nationwide event, held each year, that recognizes the successes of workplace health and safety programs and offers information and ideas on how to keep America's workers safe.

The campaign encourages participation in Airmen- and Guardian-led safety program activities. These may include related news articles, commander's calls, workplace safety trivia, icebreakers, group discussion, and live demonstrations, etc., aimed at creating an atmosphere of open engagement regarding workplace safety. For information about the DAF and OSHA partnership or for additional resources visit the Air Force Safety Center's Safe + Sound Focus page, <https://www.safety.af.mil/Divisions/Occupational-Safety-Division/Safe-Sound/>

I appreciate your continued leadership, support, and commitment to a safe and healthy workplace for our Airmen and Guardians. If you have questions or concerns, my point of contact is Mr. Bill Walkowiak, 703-693-7706, [william.walkowiak.3@us.af.mil](mailto:william.walkowiak.3@us.af.mil).
